Thursday, June 5, 2021

The Richmond Conservation Commission held its June meeting on Thursday, 6/5/2021, 7 pm at the Veteran's Hall. Members present were Dick Drew, John Randall, and Jeff Taylor.

The minutes of the May 2021 meeting were read and approved with no amendments. John Randall presented the treasurers report which was also approved.

The Commission discussed a proposal by Dick Drew that was tentatively planned for the fall of 2020 but was postponed due to the status of the Covid Virus.

The proposal was to offer a public outreach, educational program that would include some history of land use in Richmond and the impacts it had on the landscape of today. In addition, the new proposed program scheduled for 8/21/2021 at the Bennett Forest, will also include the subject of Forest Succession with guest speakers from UNH Cooperative Extension. More specific details will be forthcoming by public notices and messages in the Richmond Rooster.

There being no further business to discuss, the meeting adjourned at 7:50 pm.

The next meeting is scheduled on 7/1/2021, 7 pm at the parking area at the Bennett Town Forest.

Respectfully Submitted,

Jeffrey Taylor
